Indiana University of Pennsylvania

SUMMER SESSIONS 1975

INDIANA UNIVERSITY OF PENNSYLVANIA

Indiana University of Pennsylvania will offer three sessions in the summer of 1975, two of three weeks each and one of six weeks. The pre-session will begin on Monday, June 2 and extend through Friday, June 20. The main summer session starts June 23 and extends through July 31. The post-session begins August 4 and continues through August 22.

In the pre and post sessions a student may enroll in a **maximum** of **either** one course **or** three semester hours of credit. In the main session a student may enroll in a **maximum** of **either** two courses **or** six semester hours of credit, **plus** a one credit physical activity course.

Indiana University of Pennsylvania is committed to affirmative action to assure equal opportunity for all persons, regardless of race, color, religion, national origin, ancestry, or sex and welcomes qualified students, faculty and staff from all such groups.

OBJECTIVES OF THE SUMMER SCHOOL

The summer school program at IUP is designed to meet the needs of many students. Courses, workshops and seminars will be offered in the liberal arts, in teacher education, and in other fields of study.

Regular university students, including newly admitted freshmen, who wish to accelerate their program of studies will find both general education and special courses in all fields of study.

Indiana students who were freshmen during the school year 1974-75 are given until the end of the main summer session of 1975 to achieve their required quality point average of 1.8. If a student attains good standing by the end of post-session, he may apply for readmission around November 1 for attendance in the spring semester. Upper classmen who were in attendance during the school year 1974-75, likewise are given to the end of the main summer session of 1975 to attain their required quality point average of 2.0.

Students from other colleges and universities may take courses at IUP which is accredited by the Middle States Association of Colleges and Secondary Schools and by the National Council for Accreditation of Teacher Education. IUP credits are recognized by other accredited colleges and universities. Students from other colleges who attend IUP in the summer should request the IUP Registrar to send a transcript of the credits they earn to their respective institutions.

Teachers-in-service will find courses in the summer program to serve a variety of needs. They may take work to qualify for permanent certification, take refresher courses in their field of specialization, or take courses for the purpose of extending their certification to a new field.

Veteran Benefits. Veterans, and sons and daughters of veterans who are eligible for education benefits should complete the proper forms in the office of the Veterans Counselor, Pratt Hall 203, at the beginning of the summer session.

Individuals other than the foregoing will be admitted to summer school to take any of the courses offered and participate in the workshops and seminars. However, they are not considered matriculating students.

PROGRAM FOR HIGH SCHOOL JUNIORS

Honor students who have completed the junior year of high school with at least a B average in all college entrance subjects taken in the sophomore and junior years may preview university life and earn regular college credit by enrolling in two or three lower division courses. Students seeking admission to this program should write to the Registrar for further details.

ELIGIBILITY AND ADMISSION

Admission to the Summer School program in no way implies assured admission toward a degree at IUP. Credits taken in the summer months, however, are applicable toward degree programs and are transferable to other institutions. Acceptance of summer credits at other institutions will depend upon the consent of these institutions. High school graduates not officially admitted to IUP may take summer work as a special student with the understanding that it would constitute college credit but not acceptance as a degree candidate.

FINANCIAL AID

A limited amount of financial aid may be available to full-time summer session students. Any student interested in this possibility should contact the Director of Financial Aid, First Floor,

Pratt Hall, for further information. Deadline for filing applications is April 1, 1975.

HOUSING

All new freshmen are required to reside in university residence halls and take meals in university dining halls unless they are commuting from home or have received special permission to reside off-campus. Others wishing to live and dine in university facilities for any summer session must file a request with the Housing Office, first floor John Sutton Hall.

During arena registration for each session, ALL students will be expected to complete a local address form. Any changes should be reported to the Director of Housing immediately.

FOOD SERVICE

All students living in university residence halls are required to take meals in university dining halls. Students residing off-campus may contract for meals by completing a FOOD SERVICE request form. (Form is in back of this book.)

ROOM RESERVATION

Current IUP students who wish to reside in university residence halls should complete a HOUSING AND FOOD SERVICE request when they pre-register for summer sessions. A card must be completed for each session that housing is required. After pre-registration (March 3–14) request cards will be available in the Housing Office.

Summer–January freshmen should complete such forms at their freshman orientation. New students should contact the Housing Office, John Sutton Hall (Phone: 412-357-2696/7). Notification of room assignment as well as arrival instructions will be sent out prior to the start of each session.

RESIDENCE HALL CHECK-IN

Residence halls will be open for students on the Sunday before the session begins at 2:00 p.m. All students will report directly to the residence manager of the building they have been assigned. The residence halls will be open for students on June 1, June 22, and August 3 for the three summer sessions respectively. (For

pre-session, it is suggested that upperclass students check in between 6 and 9 p.m. to allow for check-in of Summer–January freshmen.)

STUDENT ADVISORY SERVICES

All regular students attending the summer sessions, or those students who enrolled in the summer sessions and who have been admitted as degree candidates to IUP are requested to consult the deans of their respective schools if their department chairmen and/or advisers are not available during the summer. Advice and counsel should be sought in regard to the following matters: planning summer school program; revising summer school program; determining academic standing; determining graduation requirements; making a request for refunds.

Summer–January entrants will be assigned advisers on the basis of the department they will enter. These advisers will function on a temporary basis during the summer until the January semester of the freshman year. It is the responsibility of the Summer–January entrants to meet with their advisers on each of the "Meet Your Adviser Days" so designated on summer calendar bulletins, etc. All Summer–January freshmen are required to attend all activities sponsored by the university for entering Summer–January students.

UNIVERSITY REGULATIONS

All rules and regulations of the university apply during the summer sessions.

CLASS HOURS

During the pre and post sessions some classes will begin at 8:00 a.m., run to 9:30 and then resume at 11:30 and run to 1:00 o'clock. Others will begin at 9:45 a.m., run to 11:15 and then resume at 1:15 and run to 2:45 o'clock. In the main session classes begin at 8:00 a.m. and close at 2:45 p.m., each period being 90 minutes. Some laboratory periods, field trips, practice periods for musical organizations, and similar activities are conducted in the afternoon. Each student should make certain that he can adjust his time to these periods as arranged before making his schedule. The time followed will be that of the Indiana community.

AUTOMOBILES

All students, graduate and undergraduate, are required to register their motor vehicles at the Housing Office, first floor John Sutton Hall. They must present their validated I-card, driver's license, and owner's registration card when applying for a parking decal. Failure to register the automobile may result in fines and towing.

RELAXATION AND RECREATION AT INDIANA

A comfortable environment and a mild summer climate make IUP an ideal location for summer study and relaxation.

Plans for the summer of 1975 call for the continuation of the highly acclaimed Summer Theatre Guild program in Fisher Auditorium. This university-community theatre will present six plays each for four nights a week. Students attending main session can obtain tickets to all six productions with their activity card.

The recreation and co-curricular activities program developed by a student-faculty committee serves the varied interests of the campus community. Plans for the 1975 sessions include dances at the Student Union, outdoor concerts, and feature films. Several major speakers may also appear on campus. Picnics, outings, steak fries, informal parties and hikes will be part of the summer scene at the University Lodge. The Field House will be open for swimming and other athletic activity.

STUDENT CHILDREN'S CENTER

The University Student Children's Center is a new service on campus. Set up by the university to care for the children of students, faculty, and staff, for a nominal charge, while they attend classes, do library work, etc., it is run by professionals trained in the area of child development. During the day the children participate in planned indoor and outdoor activities. They receive a mid-morning and mid-afternoon snack and milk to go with the lunches they are asked to carry. For further information contact Mrs. Linda Thomas, Director, University Student Children's Center, 916 Oakland and Church, Indiana, Pennsylvania 15701, or call 412-463-3290.

INFIRMARY

Slight illnesses are cared for in the IUP Infirmary without charge for a period of three days. After three days, a charge includes the regular nurse and medical services, but does not include special nurse or special medical service. All students living off-campus and not taking meals in the dining halls are charged \$3.00 a day from the first day.

SUMMER GRADUATES

Students who plan to graduate in the summer must have completed all requirements for **graduation by the end of the main summer session, unless prior exception was made by the school dean.**

The responsibility for graduation rests upon students. All students who plan to graduate in the summer of 1975 should write or call at the office of the dean of their respective schools to secure application forms for graduation. These forms properly filled in must be returned to the office of the deans of these schools not later than June 2, 1975.

There will not be a summer commencement ceremony. Summer graduates may participate in the May 1976 commencement ceremony.

Enrollment is limited to 30 students because of the free flight instruction provided. Flight training is mandatory.

DRAMA WORKSHOP

3 to 9 cr.

For the past 24 summers the university has conducted a highly successful drama workshop, which has attracted widespread attention. Sets, makeup, the making and collecting of properties, publicity and ticket distribution are among the duties in the day's work for those in the workshop. Six full-length Broadway plays with entertainment value of good quality, given during the main session of summer school, offer opportunities for acting, working on technical crews and assisting in many phases of production.

The workshop is actually a theatre practicum which offers from three to nine credits for the practical experience in connection with Theatre-by-the-Grove, the university's semi-professional summer theatre. Three undergraduate credits are offered in the pre-session and six undergraduate or graduate credits are offered in the main session. Students should be forewarned that they will be involved most of the day in the pursuit of their assignments.

The drama workshop uses university facilities in Fisher Auditorium, and is an integral part of the Summer Theatre Guild, the sponsoring organization of Theatre-by-the-Grove. The Sunday edition of the **NEW YORK TIMES** regularly carries the weekly offerings on our schedule. The entire theatre project embraces people from the community, faculty, imported actors, technical specialists, enrolled students and all others who have a genuine interest in theatre activities.

SCHOOL FOOD SERVICE INSTITUTE

The seventeenth annual summer institute for school food service employees will be conducted June 22–27, 1975.
